

Privacy Policy for IzRise

Last updated: 25.07.2023

This Privacy Policy describes how your personal information is collected, used, and shared when you use the IzRise mobile application (the "App").

1. Personal Information We Collect

We do not collect any personal information from you when you use the App. All image processing is done on your device and your photos do not leave your device unless you choose to share them.

2. How We Use Your Personal Information

Since we do not collect any personal information, we do not use your personal information in any way.

3. Sharing Your Personal Information

We do not share your personal information with any third parties. However, the App does contain Google Ads, which may collect some data. Please refer to Google's Privacy Policy for more information on how Google collects and uses data.

4. In-App Purchases and Tokens

The App uses tokens for image processing. You can acquire more tokens by purchasing them or by watching ads. You can also purchase a premium subscription through the App Store to remove ads and get unlimited tokens for the subscription period.

5. Changes

We may update this Privacy Policy from time to time in order to reflect changes to our practices or for other operational, legal, or regulatory reasons.

6. Contact Us

For more information about our privacy practices, if you have questions, or if you would like to make a complaint, please contact us by e-mail at jacek@duszekjk.com.
